Mr. M. S. Eccles, Chairman
Board of Governors
Federal Reserve System
Washington, D. C.

Dear Mr. Eccles:

Thank you sincerely for your tentative agreement to be with us in Dallas on the 18th of next month - your appearance there on the program would be of inestimable value to the Association and we think to all Texas - we would do our dead-level best to make your stay here a happy one - we are expecting the biggest crowd in the history of Texas banking at this particular convention - for a million reasons we would like to meet and greet you on Texas soil - you have just honored our State by your confirmation of Mr. R. R. Gilbert as President of our own great Federal Reserve Bank, in Dallas - we think your coming would be a fitting climax to all of our activities - we hope nothing will prevent.

Very earnestly yours,

Oral Jones:R
