Dear Mr. Eccles:

On behalf of the Committee on Public Administration,
Social Science Research Council, I wish to thank you for
participating in last evening's discussion of the fiscal
program for 1943.

The conference represents in part the attempt of
the Committee to further collaboration between public
officials and scholars in the field of research. I
hope you found the discussion interesting and worth-
while.

It was a real pleasure to meet with you.

Sincerely yours,

Joseph E. McLean
