Honorable Marriner Eccles  
Chairman of the Board of Governors  
Federal Reserve System  
Washington, D. C.

Dear Governor Eccles:

Your discussion of the nation's fiscal problems and policies last Wednesday evening at Inquirendo was a remarkably outstanding event for all who were present.

Several of the members have expressed to me their keen appreciation for your willingness to come and take the time and trouble to make such a penetrating analysis of the situation. We are all very grateful to you and I merely want to put my thanks in writing.

With every good wish for your success and well being,  
I remain

Yours sincerely,

  
Jesse R. Smith
