

THE FIRST NATIONAL BANK OF BOSTON
BOSTON 6, MASSACHUSETTS

April 8, 1946

The Honorable Marriner S. Eccles, Chairman
Board of Governors of the
Federal Reserve System
Washington, D. C.

Dear Mr. Eccles:

Thank you once more for your kindness in coming to New York and giving so generously of your time to address the alumni of the Graduate School of Banking. The fact that more than one hundred of the men gathered to hear your answers to specific questions indicated to me that you had a most receptive audience and I only hope the seeds you planted will grow in enough important places to help guide the banking industry through this critical period. Your presence was the high-light of our series of alumni conferences and we cannot thank you enough for being with us.

Sincerely

E. Morton Jennings, Jr.
Loan Officer
