Federal Reserve Building,
Washington, D. C.

Dear Matt:

On the 17th of September I had the privilege of hearing a speech by Mr. Eccles before The Executives' Club of Chicago. I thought it a very fine address and was tremendously impressed both by his common sense and by his sincerity and frankness. I am glad that we have such a man in the Government.

I suppose you have a copy of the speech; but if not and if you would like one, please let me know and I will be glad to send you one.

Cordially yours,

(signed) John

Dear E. G. :

You may be interested in seeing a copy of a letter which Mr. Szymczak received from Attorney John S. Miller of Chicago, relative to the speech I made before the Executives Club of Chicago on September 17. You may also be interested in a copy of a letter which I just received from Mr. Herbert E. Alexander, Chairman of the Caroling Political Union, University of North Carolina, relative to a speech I made in Chapel Hill, North Carolina last week. I am enclosing copies of these letters herewith.

I am planning to be in Utah the end of next week, and will see you at that time.

Sincerely yours,

Enclosures 2.
