

The Executives' Club of Chicago

111 WEST WASHINGTON STREET

CHICAGO 2, ILLINOIS

FOR thirty-six years, THE EXECUTIVES' CLUB OF CHICAGO has been growing in its present purposes, membership and influence.

It began as a group of downtown businessmen, intent upon good fellowship and business discussion around the luncheon table. That spirit characterizes the Club today although the present membership is 1500.

As THE EXECUTIVES' CLUB OF CHICAGO grew, the weekly meetings assumed formal programs. Today the noonday programs of the Club stand in the forefront of American business gatherings.

Speakers pre-eminent in their respective fields of endeavor and of diverse points of view are invited to appear on the Club's rostrum. For many years THE EXECUTIVES' CLUB OF CHICAGO has enjoyed the reputation of being one of the foremost forums in the country.

Attendance at the noon-day meetings of the Club is restricted to members and their invited guests. On special occasions these meetings are open to the ladies.

These meetings are held at the Hotel Sherman every Friday from 12 noon to 1:45 p.m. except during the months of July and August and the Fridays following Thanksgiving, Christmas, Memorial Day and Good Friday.

Admission to membership is made by formal application sponsored by a member and subject to the unanimous approval of the Board of Directors.
