1734 N STREET, N. W., WASHINGTON 6, D. C.

MRS. J. L. BLAIR BUCK  
PRESIDENT

October 22, 1948

Dear Mr. Eccles:

May I tell you how very much the Board of Directors of the General Federation appreciated your speaking to us at our luncheon last Saturday at the Statler Hotel.

I am sure the attention they gave you proved their deep interest and the many questions that followed, as well as the discussion after the luncheon, was an indication that they recognized only too well the vital importance of the subjects that you discussed. Your very clear presentation of the causes of inflation helped all of us to understand much better just why we are facing the present difficult economic situation.

I would like to add my personal thanks to those of Mrs. Seeber for your graciousness in being our speaker at the luncheon.

Very sincerely yours,

Mrs. J. L. Blair Buck  
President
