Dear Mr. Eccles:

Permit me to thank you for the very interesting off the record address you gave here a short time ago together with the informal chat at the Delta Sigma Pi House.

You see I am supposed to teach Money and Banking here, and as such your address was most enlightening. Good to meet you, too.

Best regards.

Cordially yours,

Dear Mr. Dubuque:

I greatly appreciate your kind thoughtfulness in writing to me about my talk before the Delta Sigma Pi Fraternity. I am pleased that you found my remarks and the discussions which followed interesting and helpful to you. I enjoyed addressing and discussing the subject with the members of the Fraternity and their guests.

It was a pleasure to meet and talk to you during the evening.

Sincerely yours,

M. S. Eccles.

Dear Sir:

As secretary of Mu Chapter, I would like to extend on behalf of the entire Chapter, and, I am sure, the entire school, our thanks and sincere appreciation for the most interesting talk (off the record) on Our Present Economic Policy, you delivered recently at the School of Foreign Service.

The widespread discussion following the event gave certain evidence of the interest you so excellently stimulated in the student body. It is indeed a rare treat for us all when we are able to obtain a qualified and interesting speaker on a current matter of such importance.

Once again, on behalf of Mu Chapter, I wish to express our real appreciation for a talk which we shall remember and discuss with pleasure and profit for many months.

Yours very truly,

Robert G. Reinhart
Secretary
