Board of Governors

Dear Marriner:

Gavin Leedy has told me of his conversations with you with reference to your trip here on April 1. We are, of course, delighted to have you and I have made reservation for you at the Kansas City Club on the night of March 31 and through the night of April 1. I understand from Gavin that you will arrive here from St. Louis late in the evening of March 31 and if you will go to the club I am sure you will be taken care of and issued a guest card for your convenience while here.

We are also arranging for a dinner on Friday night, April 1, with leading bankers here and in the immediate territory, which I hope you will enjoy.

Sincerely yours,

  
Chairman
