Dear Mr. Boman:

I note from your letter of November 22 that the Lawyers Club has listed me as its principal speaker at its March 10th meeting.

I was happy to accept your kind invitation, through Mr. Neely and will be looking forward to being with you on that date unless something unforeseen interferes. It is my understanding that this arrangement is to be tentative until around the first of February when I will give you the final reply.

With kind regards,

Sincerely yours,

Mr. John H. Boman, Jr., President,
Lawyers Club of Atlanta,
