Dear Marriner:

As far as I can see, a big majority of the public feel as you do in connection with our foreign policy and our waste of manpower in Korea and the threatened debacle in Europe.

May I congratulate you on the fine exposition of these points in both your speech at Salt Lake on January 11 and your speech before the Executive Club of Chicago on March 2.

We have greatly enjoyed having George and Lolie in Houston for a little visit, and we were also pleased to have Art Benning around for a few days.

With regards and best wishes, I am

Sincerely yours,

Walter O. Caldwell, Jr.

Dear Walter:

It was very thoughtful of you to take time to write me about my speech at Salt Lake on January 11 and the one before the Executives' Club of Chicago on March 2.

I always appreciate having the reactions of others, whether of approval or criticism, to my public utterances. I am glad to know that you approve of my views as expressed in connection with our foreign policy and our waste of manpower in Korea and the threatened debacle in Europe.

Thinking you might be interested in seeing a copy of my testimony of January 25 before the Joint Committee on the Economic Report I am enclosing a copy herewith.

I hope you and Jerry are keeping well and enjoying life.

With kindest regards,

Sincerely yours;

M. S. Eccles.
