Mr. Marriner S. Eccles  
Board of Governors of the Federal Reserve System  
Washington, D. C.

Dear Marriner:

Your letter of March 13th reached me this morning in reference to the dinner to be given for you by the Los Angeles Clearing House Association.

The matter was discussed at our Group Five, Southern California Bankers Association, meeting; and it was decided that instead of Group Five giving the dinner, the Los Angeles Clearing House Association should be given the opportunity to do so, and they were delighted. This was done in order that all banks in Los Angeles could participate. As a matter of fact, I was the one who discussed the matter with them. I should have sent a letter off to you sooner explaining that the Los Angeles Clearing House Association was extending the invitation to you.

I am sorry you will not have more time in Los Angeles; and if there is anything you wish to have me take care of for you while you are here, please do not hesitate to call on me.

Looking forward to seeing you, and with kindest personal regards,  
I am,

Yours most sincerely,

M. Vilas Hubbard
