SECRETARY

Honorable Marriner S. Eccles
First Security Bank of Utah, N.A.
Ogden, Utah

Dear Governor Eccles:

It is indeed pleasing to have your telegram this morning, and all of our people are very enthusiastic over the prospect of you being with us here May 14, to address our Convention.

Our cut cabinet contains a rather ancient likeness of you, and we hope your secretary can furnish us a late picture for use in connection with the publicity of our program. We will appreciate it very much if we can receive this within the next few days. Too, if you have a tentative title for your talk, that would help us also.

Again expressing our pleasure over the prospect of having you with us in Dallas next month, and with best personal wishes, I am

Cordially and sincerely,

Secretary

April 13, 1951.

Dear Mr. Philpott:

I am pleased to note from your letter of April 2 that you and others are enthusiastic over the prospect of my addressing your Convention! That is very flattering -- and gratifying! I would be an odd sort of a fellow if I didn't appreciate and like such comment.

For your information, I am enclosing herewith copies of letters which I have just written to Mr. DeWitt Ray and Mr. Randle Gilbert. You will find them self-explanatory and containing information which you no doubt should have in connection with my attendance at the Convention.

Mr. Ray advised me that you would fit my address into your program on either May 14 or 15, but that preferred the afternoon of Monday the 14th. You will note from my letter to Mr. Ray that I must leave Dallas on the 4:35 p.m. plane. If the afternoon meeting is to be held at such a time that I can make my address and still catch that plane I will be glad to have you put me on the afternoon program, but if not then I hope you can arrange to put me on the morning program on Monday. I will appreciate your advising me on this matter.

With kindest personal regards,

Sincerely yours,

M. S. Eccles.
