AIRMAIL

Mr. Marriner S. Eccles
Board of Governors
Federal Reserve System
Washington, D. C.

Dear Marriner:

You certainly performed satisfactorily before our recent Convention, and I am sure from the close attention the delegates gave your every word you were convinced they were appreciative and were stirred by what you had to say.

Our one regret is that you could not remain over with us for the entire meeting, and that you were rather precipitantly "removed" from the platform in order to catch your plane. We are sorry you had to rush so.

Please do not let so much time elapse before you visit us again in Texas, and please accept our expressions of gratitude and appreciation for your good performance.

Cordially and sincerely,

A handwritten signature in cursive script, appearing to read "W. A. Philpott, Jr.".
