Dear Marriner:

I am attaching this to the letter I am writing you as President of the Utah Bankers Association. I just want to say that this request is sponsored by the members of the executive committee and we want you to come out to our convention.

Your activity in Washington at this time is being watched with interest by all of the Utah bankers. They are all for you and it will be a great privilege if we can have you as our speaker. Personally, I would be delighted, as President of the Association, to have you with us.

I hope this find you healthy and not working too hard. We are having delightful weather, and Utah still is "the place".

Sincerely,

Senior Vice President

Dear Mr. Eccles:

Undoubtedly, you are aware of the fact that Utah Bankers Association will hold its annual convention in Ogden at the Ben Lomond Hotel on June 11th and 12th.

The executive committee of the Association has asked me to extend you an invitation to be one of our convention speakers. The convention being held in your home town, and your being our most distinguished citizen in Washington, and for that matter in the United States, we would certainly like to have you with us at the convention.

We expect to have a good representation of the Utah bankers, and should have many visitors from out of the state--especially if we can list you as one of our speakers.

It would be helpful to the executive committee if you could give us an answer reasonably soon.

Best personal wishes.

Sincerely,

President

Office of the President,

Dear Ray:

I acknowledge receipt of your official letter of February 19 written as President of the Utah State Bankers Association and your personal letter of the same date inviting me to be one of the speakers at the annual convention of Utah Bankers Association in June. I appreciate very much your very flattering letters and the kind invitation extended to me.

It has been a good many years since I spoke to the Utah Bankers Association and I would very much like to accept the invitation. I will do everything possible to arrange my plans so that it will be possible for me to be present at the convention in Ogden on June 11 and 12.

With kindest regards,

Sincerely yours,

M. S. Eccles.
