

June 27, 1951.

Mr. H. B. Crandall, Secretary,
Utah Bankers Association,
Salt Lake City, Utah.

Dear Mr. Crandall:

Mr. Eccles has requested me to write to
you.

At the breakfast for the past presidents
of the Utah Bankers Association held in Ogden on
the morning of June 11 a mention was made, seconded
and carried unanimously -- that Mr. Eccles send to
each of the living past presidents of the Associa-
tion an autographed copy of his book, "Beckoning
Frontiers". He understood you would forward him
the names and addresses of those gentlemen. As the
list has not yet been received, it would be appre-
ciated if you will send one by return mail so that
the matter can be taken care of before Mr. Eccles
leaves Washington.

Sincerely yours,

Va Lois Egbert,
Secretary to Mr. M. S. Eccles.
