F. F. BROOKS
PRESIDENT

February 23, 1937

Governor Marriner S. Eccles
Federal Reserve Board
Washington, D. C.

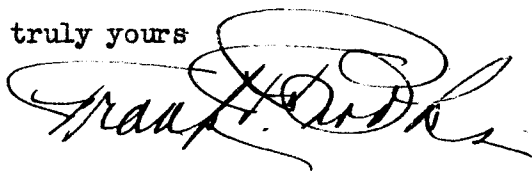

My dear Governor:

Upon returning to the bank this morning I found a nice little note from my friend Roy Hunt, and after reading it over it occurred to me that you might be interested in seeing it also.

I enclose it to you herewith and at the same time wish to say that you need not bother to return it to me after you have once glanced over it.

It is needless for me to say that we all enjoyed having you out here in our city for the short stay that you made with us.

Very truly yours

Dear Mr. Brooks:

Permit me to thank you for your note of February 23d enclosing one from Mr. Hunt, whose gratifying comments I was interested to see. I am returning Mr. Hunt's note in case you might wish to have it in your files.

It was a genuine pleasure to have the opportunity to meet with you in Pittsburgh, and I deeply appreciate all the courtesies which you were good enough to extend to me.

Sincerely yours,

Mr. F. F. Brooks, President,
First National Bank at Pittsburgh,
