REMARKS:

The accounting office at the University advises that this covered the amount due you for the time you addressed the veterans there on August 17. They pay this to all those appearing and have just mailed out a number of them.

Do you want it sent back?

September 27, 1948.

Mr. Henry O. Herzog, Comptroller,
The George Washington University,
Washington, D. C.

Dear Mr. Herzog:

We are in receipt of your check No. WP-1096
in the amount of \$20.00 issued to Mr. Marriner Eccles, as
compensation for his lecture to the George Washington
Foreign Review class on August 17.

Mr. Eccles has always regarded speeches and
articles as being in the line of official duty and, accord-
ingly, has made it a rule not to accept any honorariums.
He has, therefore, asked me to return this check to you
herewith.

Very truly yours,

Secretary to Mr. M. S. Eccles.
