The Denver Post,
Denver, Colorado.

Gentlemen:

On July 18 Mr. Marriner Eccles gave a statement to the Press in Utah covering a suggested program in connection with the present situation brought about by the Korean crisis.

A friend of Mr. Eccles' in Denver advised him that your paper covered the statement.

If it is not too much trouble and a copy is available it would be appreciated if you send to Mr. Eccles or to me in care of the Federal Reserve Board, Washington, D. C., either the issue of your paper, or clippings therefrom covering the statement.

Very truly yours,

Secretary to Mr. M. S. Eccles.
