Mr. Darrell Greenwell,
Ogden Standard Examiner,
Ogden, Utah.

Dear Mr. Greenwell:

On July 18 Mr. Marriner Eccles gave a statement to the Press in Utah covering a suggested program in connection with the present situation brought about by the Korean crisis.

Upon his return to Washington Mr. Eccles advised me that your paper covered his statement, but that he had overlooked bringing clippings back for his scrapbook record.

If it is not too much trouble and a copy is available it would be appreciated if you will send to Mr. Eccles or to me in care of the Federal Reserve Board, Washington 25, D. C., either the issue of your paper, or clippings therefrom covering the statement.

Very truly yours,

Secretary to Mr. M. S. Eccles.
