Total Respondent rate by count	77%	80%	
Total Respondent rate by assets ³	82%	93%	

1. 29 institutions converted from CPP in 2009, to CDCI in 2010. Terms for the CDCI program were announced in February 2010.

2. Institutions were asked to complete a 2011 survey only if they had funds in 2011. Institutions that had fully repaid in 2010 or 2009 were asked only to complete the respective survey. Institutions that repaid in 2011 were still asked to complete a survey.

3. This report cites asset data available from the Call Report . Not all CDCI institutions with funds in 2011 filed a Call Report.
