Chicago, December 27, 1917.
Bulletin No. 94.

TO THE MEMBER BANKS OF DISTRICT NUMBER SEVEN:

Under date of December eighth you were furnished a special form, to be used in connection with applications for the discount of notes, drafts, bills of exchange and United States Bonds or Certificates of Indebtedness for periods of fifteen days or less. Please discontinue the use of said form. In lieu thereof we are enclosing herewith:

Form B. D. 29 Special Application for Discount, to be used for advances for periods of fifteen days or less against eligible bills receivable of varying maturities;

Form R. D. 30 Purchase and Resale Agreement, to be used only in connection with short-time advances, fifteen days or less, against United States Bonds and Certificates of Indebtedness.

Additional copies of the above forms will be furnished on request.

The forms referred to are offered for use as an alternative to the execution of member banks' collateral notes, which now require revenue stamps.

Respectfully,

JAMES B. McDOUGAL,
Governor.
