ANNOUNCEMENT

TO THE MEMBER BANK ADDRESSED:

At a meeting of the Board of Directors of this bank on April 5th, 1918, Mr. Paul G. Taylor, formerly assistant cashier of the South Texas Commercial National Bank of Houston, Texas, was formally elected an assistant cashier of this bank, and will assume his duties today.

Mr. R. Buckner Coleman, heretofore acting assistant cashier, was also elected an assistant cashier.

Mr. Taylor comes to us well equipped to perform the duties which will be assigned to him, and we consider ourselves fortunate in securing his services. Mr. Coleman has been with this institution since shortly after its organization, and has been acting in the capacity of assistant cashier since September, 1917. Both of these gentlemen will be attached directly to the cashier's office.

We bespeak for them the same earnest and cordial support and cooperation which the banks in the district have accorded the other officers of this institution. of which frequent evidence has been given.

Respectfully,

R. L. Van Zandt
Governor.
