

FEDERAL RESERVE BANK  
OF DALLAS

Circular No. 14  
Series of 1919  
(Superceding Letter June 17, 1917)

DALLAS, TEXAS, June 13, 1919.

FEDERAL RESERVE EXCHANGE AND TRANSFER DRAFTS

TO MEMBER AND CLEARING MEMBER BANKS OF  
FEDERAL RESERVE BANK OF DALLAS:

Dear Sirs:

The Federal Reserve Banks have agreed upon a plan for the purpose of facilitating the transfer of funds at the least expense and inconvenience through the sale of:

- (a) Federal Reserve Exchange Drafts.
- (b) Federal Reserve Transfer Drafts.

The scope of the undertaking is wide, and its success dependent largely upon the fidelity with which member banks comply with the regulations as outlined herein.

SALE OF DRAFTS

- (a) It is expected that member and clearing member banks will sell drafts upon Federal Reserve Banks upon the same terms and conditions which drafts have heretofore been sold by them upon their correspondents.
- (b) Member and clearing member banks may make such charge as they see fit to the purchaser of such drafts.

FEDERAL RESERVE EXCHANGE DRAFTS (Yellow Forms)

- (a) "Federal Reserve Exchange Drafts" must be drawn upon the Federal Reserve Bank of Dallas or upon the branch with which the member or clearing member bank is affiliated.
- (b) They will be received for immediate credit at par, subject to final payment, at any other Federal Reserve Bank, but will be actually payable at the Federal Reserve Bank of Dallas, or the branch upon which drawn.
- (c) For the present, and until otherwise specified, these drafts must be drawn in amounts not in excess of \$5,000.
- (d) On the date drafts are issued, detailed advice of the numbers, amounts, and the total of all drafts issued that day must be sent to the Federal Reserve Bank of Dallas, or branch upon which drawn, on forms provided. Upon receipt of this advice, the total amount of drafts drawn will be charged to the account of the drawing bank.

FEDERAL RESERVE TRANSFER DRAFTS (Green Forms)

- (a) "Federal Reserve Transfer Drafts" must be drawn upon the Federal Reserve Bank of Dallas, or the branch with which affiliated, and made payable at some other Federal Reserve Bank designated in the draft.
- (b) For the present, and until otherwise specified, these drafts must be drawn in amounts exceeding \$5,000.
- (c) On the date drafts are issued, detailed advice must be issued in duplicate on forms provided, over the signature in ink of the officer, or officers, signing the drafts. The original must be sent immediately to the Federal Reserve Bank of Dallas, or the branch upon which drawn; the duplicate to the Federal Reserve Bank at which draft is made payable.
- (d) Upon receipt of the original advice, this bank will charge the total amount of the drafts drawn to the account of the drawing bank, and will send a telegraphic confirmation of advice to the Federal Reserve Bank at which draft is

- (e) Transfer drafts will not be paid by other Federal Reserve Banks unless and until they have received your duplicate advice and our telegraphic confirmation thereof.
- (f) No service charge will be made for the use of either form of draft.

DRAFT FORMS

- (a) In order that this system of exchange and transfer drafts may work successfully, it is essential that the regulations be rigidly adhered to, and that there be no deviation in the forms used.
- (b) In order that there may be uniformity as to arrangement of text, and size and color of paper, member and clearing member banks will be required to order draft and advice forms from the Dallas office.
- (c) For your information, copies of forms used are enclosed with this circular.

Yours very truly,

Governor

# SUPPLEMENTAL PAR LIST

## Federal Reserve Bank of Dallas

The par facilities covered in this par list will be available to all member banks and other Federal Reserve Banks on items received by the Federal Reserve Bank of Dallas or its Houston or El Paso Branch, from and including Monday, September 22nd.

Other Federal Reserve Banks and member banks are requested to note the routing of the items given below, and that where the designation "EP" or "Ho" follows the name of the bank, such items should be forwarded direct to the El Paso and Houston Branches respectively, for handling for the credit of the sending bank with the head office, unless the reserve account of the sending member bank is carried with one of the Branch banks mentioned. The items can of course be handled through the Federal Reserve Bank of Dallas at the head office, but where the items are finally routed for collection to either of the Branches, the former routing merely necessitates a duplication of clerical work as well as loss of time in presentation. Where no routing is designated following the name of the bank, such items should be routed direct to the Federal Reserve Bank of Dallas.

This list of points is supplemental to the September Par List issued by the Board, but will appear with others in the October Supplement.
