

FEDERAL RESERVE BANK
OF DALLAS

April 26, 1920.

TO THE BANK ADDRESSED:

Our Board of Directors at a recent meeting elected Mr. R. R. Gilbert, now Manager of the El Paso Branch, to the position of Senior Assistant Cashier with the bank at Dallas and has assigned to him the important post of Manager of the Member Bank Relations Department now being organized.

Mr. Gilbert has been with the bank from the time of its establishment and has filled practically every place in the bank. It is believed that his recognized ability and large experience peculiarly fit him for the work assigned him. It is expected that his activities will bring him into very close relations to both member and non-member banks, and it is believed that through this department, of which Mr. Gilbert has charge, we will be able to render a better and more valuable service to the whole banking and commercial community than we have heretofore been able to do. This selection of Mr. Gilbert has been approved by the Federal Reserve Board at Washington, and it is expected that he will assume his new position around the first of May.

Mr. W. C. Weiss, heretofore general Auditor of the bank, has been elected a director of the El Paso Branch and Manager of same to succeed Mr. Gilbert. Mr. Weiss will bring to the discharge of that important place a varied experience, and it is hoped and believed that he will measure up to the full requirements of the position.

Very respectfully,
