

## FEDERAL RESERVE BANK OF DALLAS

### ELECTION OF DIRECTORS

Dallas, Texas, October 6, 1920.

TO THE CASHIER:

On December 31, 1920 the terms of Messrs. E. K. Smith, Class A Director, and J. J. Culbertson, Class B Director of this bank, will expire.

The Federal Reserve Board has designated Tuesday, November 16th, as the day for opening the polls for the election of their successors, who will serve for three years each. Ballots will be received for fifteen days after the polls open, or up to and including November 30th.

Director Smith was elected by banks in Group 2, and Director Culbertson by banks in Group 3. **ONLY banks in those groups are entitled to vote at the coming election.**

Banks in group 2 will nominate and vote for Class A Director.

Banks in group 3 will nominate and vote for Class B Director.

**The Federal Reserve Act provides that "NO OFFICER OR DIRECTOR OF A MEMBER BANK SHALL BE ELIGIBLE TO SERVE AS A CLASS A DIRECTOR UNLESS NOMINATED AND ELECTED BY BANKS WHICH ARE MEMBERS OF THE SAME GROUP AS THE BANK OF WHICH HE IS AN OFFICER OR DIRECTOR."**

Director Smith would therefore not be eligible for re election on account of his official connection with a bank in Group 1.

The law provides that each member bank shall be permitted to nominate one candidate for Director of Class A, and one candidate for Director of Class B, and by a resolution of its board, or an amendment to its by laws, authorize its President, Cashier, or some other officer, to cast their vote.

Forms of resolutions are enclosed herewith to banks in Groups 2 and 3, upon which the Board of Directors of such banks should nominate a Director and authorize one of its active officers to cast their ballot. These resolutions, duly certified, should be returned to the undersigned as soon as possible after your board has taken action. The period within which these certifications may be made will terminate on November 6th, and nominations received thereafter will not be listed.

On November 11th, or as soon as the lists of candidates can be tabulated, there will be mailed to all member banks in the district, for their information, a list of nominees for Class A and Class B Directors, with the names of the banks nominating them.

On November 13th there will be mailed to the banks in groups 2 and 3 a preferential ballot providing for the recording of the first, second, and other choices for the Directors to be elected. Within fifteen days from the receipt of said list and ballot every bank should record its vote.

The results of the election will be announced on or about December 1st.

The Federal Reserve Board has classified the banks which will participate in the election in this district as follows:

Group No. 2—Banks with aggregate capital and surplus not exceeding \$399,000 and not below \$100,000.

Group No. 3—Banks with aggregate capital and surplus below \$100,000.

In returning the enclosed forms please observe the following instructions:

**Write plainly, or typewrite the information requested.**

**Affix the seal of your bank to the certificates.**

**Return the certificates promptly in the self addressed envelope enclosed.**

While only banks in groups 2 and 3 will nominate and elect Directors, this circular is sent to all banks in the district for their information.

There are appended hereto (1) a part of section 4 of the Federal Reserve Act prescribing the manner in which directors of Federal Reserve Banks shall be elected, and (2) a list, based on the latest data in hand, of the banks composing groups 2 and 3 of this district.

All member banks in groups 2 and 3 are urged to participate in the election.

Respectfully,

Chairman of the Board.

## EXTRACTS FROM SECTION 4 OF THE FEDERAL RESERVE ACT.

Every Federal Reserve Bank shall be conducted under the supervision and control of a Board of Directors.

Such Board of Directors shall be selected as hereinafter specified and shall consist of nine members, holding office for three years, and divided into three classes, designated as Classes A, B and C.

Class A shall consist of three members, who shall be chosen by and be representative of the stock-holding banks.

Class B shall consist of three members, who at the time of their election shall be actively engaged in their district in commerce, agriculture or some other industrial pursuit.

Class C shall consist of three members, who shall be designated by the Federal Reserve Board.

No Senator or Representative in Congress shall be a member of the Federal Reserve Board or an officer or a director of a Federal Reserve Bank.

No director of Class B shall be an officer, director, or employee of any bank.

No director of Class C shall be an officer, director, employee, or stockholder of any bank.

Directors of Class A and Class B shall be chosen in the following manner:

The Federal Reserve Board shall classify the member banks of the district into three general groups or divisions, designating each group by number. Each group shall consist as nearly as may be of banks of similar capitalization. Each member bank shall be permitted to nominate to the chairman of the board of directors of the Federal Reserve Bank of the district one candidate for director of Class A and one candidate for director of Class B. The candidates so nominated shall be listed by the chairman, indicating by whom nominated, and a copy of said list shall, within fifteen days after its completion, be furnished by the chairman to each member bank. Each member bank by a resolution of the board or by an amendment to its by laws shall authorize its president, cashier, or some other officer to cast the vote of the member bank in the elections of Class A and Class B directors.

Within fifteen days after receipt of the list of candidates the duly authorized officer of a member bank shall certify to the chairman his first, second, and other choices for director of Class A and Class B, respectively, upon a preferential ballot upon a form furnished by the chairman of the Board of Directors of the Federal Reserve Bank of the district. Each such officer shall make a cross opposite the name of the first, second, and other choices for a director of Class A and for a director of Class B, but shall not vote more than one choice for any one candidate. No Officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director.

Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director.

### Resolutions of the Federal Reserve Board in Regard to Eligible Persons.

By resolution of the Federal Reserve Board, adopted December 23, 1915, the opinion is expressed that persons holding political or public office in the service of the United States, or of any state, territory, county, district, political subdivision, or municipality thereof, or acting as members of political party committees, cannot consistently with the spirit and underlying principles of the Federal Reserve Act, serve as directors of Federal Reserve Banks.

The Federal Reserve Board also passed a resolution, December 28, 1915, that "national bank examiners shall not hereafter be elected . . . to directorships in Federal Reserve Banks."
