

FEDERAL RESERVE BANK
OF DALLAS

Circular No. 42
Series of 1920

November 23, 1920.

TO THE MEMBER BANK ADDRESSED:

In making certain changes in the staff of this bank in order to conform to a revised organization chart, the Member Bank Relations Department has been placed directly under the supervision of the Federal Reserve Agent.

Mr. R. R. Gilbert, Senior Assistant Cashier of the bank, under whose supervision the Member Bank Relations Department has heretofore been, will continue in charge of that activity, with the title of Assistant Federal Reserve Agent. This change merely involves the transfer of the department referred to from the operating end of the bank to the office of the Federal Reserve Agent, and the change in Mr. Gilbert's title is made to more nearly conform to the revised organization.

At the meeting of our Board of Directors, held November 9th, Mr. James L. Lumpkin was elected Assistant Cashier, in charge of the Credit Department of the bank.

Respectfully,

A handwritten signature in dark ink, appearing to read "W. F. Davis", is written over a horizontal line.
