

FEDERAL RESERVE BANK  
OF DALLAS

November 13, 1923.

ELECTION OF DIRECTORS

To Member Banks in Groups 2 and 3:

Referring to Circular No. 11, of October 15th, on the above subject:

I enclose herewith, for your information, a list of candidates for Class "A" Director, and Class "B" Director, with the names of the banks by which nominated.

There is also enclosed, for the use of banks in the above groups which have designated an official to vote for them, a preferential ballot, containing the names of the nominees of the respective groups. The ballot is self-explanatory. Please see that it is executed in strict accordance with the instructions thereon.

As previously advised, the designation of an official to vote for your bank continues in effect until revoked, and if a previous authorization has been made your bank is entitled to vote, regardless of the date of such designation.

The polls open on Friday, November 16th, and ballots will be received for fifteen days thereafter, or up to and including November 30th.

It will greatly facilitate the tabulation of the vote if the ballots are executed and returned promptly.

Yours very truly,

A handwritten signature in cursive script, appearing to read "H. M. ...", written in black ink.

Chairman of the Board.
