ELECTION OF DIRECTORS

To Member Banks in Group 1:

Reference is made to circular of November 12, on the above subject.

Among the nominees for Class A Director, Group 1, was Mr. W. P. Allen, President of the American National Bank, Terrell, Texas. I am advised this morning by Mr. Allen that his nomination was in error, and it was intended merely to designate him as the official of the American National Bank of Terrell to cast its vote. He has requested that I so advise member banks in Group 1, and that his name be withdrawn as a candidate in the election to be conducted by the undersigned on the 17th instant.

Yours very truly,

Chairman of the Board
