

**FEDERAL RESERVE BANK
OF DALLAS**

November 1, 1929

Gentlemen:

Thinking our letter of October 25 and form enclosed with it may have gone astray, we are enclosing copies.

As we have not yet received from you authority to charge your account to cover remittances to your 5 per cent fund to be made in manner explained in letter, and as plan becomes effective November 1, we shall very much appreciate your completing and returning the enclosed authorization form at your earliest convenience.

Yours very truly,

Governor

Federal Reserve Bank of Dallas
Station "K"
Dallas, Texas

Gentlemen:

In connection with your letter dated October 25, relating to the plans of the Treasurer of the United States for issuing new national bank currency, you are authorized to charge the reserve account of this bank and credit this bank's 5 per cent fund with the Treasurer of the United States covering all redemption notices for this bank that you may receive from the Treasurer of the United States.

This authority is effective November 1, 1929, and shall continue until the Treasurer of the United States advises that this method of reimbursing our 5 per cent redemption fund is no longer necessary.

Yours very truly,
