

FEDERAL RESERVE BANK OF DALLAS

September 22, 1930

ELECTION OF DIRECTORS

To the Member Bank Addressed:

Beginning November 1, 1930, an election will be held under the provisions of Section 4 of the Federal Reserve Act, to choose successors to the following directors of this bank, whose terms expire December 31, 1930:

Class A Director—J. H. Frost, President, Frost National Bank, San Antonio, Texas.

Class B Director—J. R. Milam, Wholesale Grocer, Waco, Texas.

The Class A director was elected by banks in Group 1, and the Class B director by Group 2 banks. Consequently, their successors will be chosen, respectively, by these groups.

The Banks in Group 3 do not elect a director this year.

Group 1 consists of banks having a capital and surplus in excess of \$399,000.

Group 2 consists of banks having a capital and surplus of not more than \$399,000 and not less than \$100,000.

Lists of banks composing Groups 1 and 2 are given on the following pages.

Each bank in Group 1 is permitted to nominate a candidate for Class A director, and each bank in Group 2, a candidate for Class B director.

The nomination must be made by resolution of the Board of Directors and certified to me and received in my office on or before October 25, 1930. A form for this purpose is enclosed. On October 29 a list of the candidates (indicating by whom nominated) and a preferential ballot will be mailed to each bank in the two groups mentioned. The ballot must be cast within fifteen days after receipt. The polls will open on November 1, and close at 3:00 P. M., November 15, 1930. At that time the ballot box will be opened in the Board Room of this bank, the votes counted, and result of the election announced. Any of the candidates are invited to be present or represented on that occasion.

In order to be counted the ballot must be executed by the officer of the bank authorized to cast the vote. On the following pages are given the names and titles of the officers, who, according to our records, have been heretofore designated for this purpose. As advised in circular issued from this office on May 17, 1930, the Federal Reserve Board has approved a uniform plan of designation by member banks of officers to vote in the annual elections, under which it is suggested that several officers be designated by title only, instead of by name.

In response to the circular above referred to, we have received revised designations from approximately 46 per cent of the member banks in this district. It is quite important that each bank make a designation and certify the appointment to me before the polls close on November 15, 1930. Another form for this purpose is enclosed to those banks which have not made a designation under the uniform plan referred to.

While the banks in Group 3 will not vote in this election, this circular is sent to them **without the nomination form** for their information.

Very truly yours,

Chairman of the Board

*Section 4 of the Federal Reserve Act provides that directors of:

“Class A shall consist of three members, who shall be chosen by and be representative of the stockholding banks.

“No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director.

“Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director.

“Class B shall consist of three members, who at the time of their election shall be actively engaged in their district in commerce, agriculture or some other industrial pursuit.

“No director of Class B shall be an officer, director or employe of any bank.

“No Senator or Representative in Congress shall be a member of the Federal Reserve Board or an officer or a director of a Federal reserve bank.”

In a resolution adopted December 23, 1915, the Federal Reserve Board expressed the opinion “that persons holding political or public office in the service of the United States, or of any State, territory, county, district, political subdivision, or municipality thereof, or acting as members of political party committees, cannot consistently with the spirit and underlying principles of the Federal Reserve Act, serve as directors or officers of Federal reserve banks.” On December 28, 1915, the Federal Reserve Board resolved that “national bank examiners shall not hereafter be elected * * * to directorships in Federal reserve banks.” Under date of July 2, 1925, the Federal Reserve Board advised it had “reached the conclusion that a person whose sole occupation is that of officer of an insurance company is not eligible for election as a Class B director of a Federal reserve bank.”
