**To the Member Banks of the Eleventh
Federal Reserve District:**

The Fifth Annual Meeting of the Stockholders' Association of the Federal Reserve Bank of Dallas will be held at 9:30 a. m., in the Palm Garden of the Adolphus Hotel, at Dallas, on WEDNESDAY, JUNE 3, 1931.

This will be a one-day meeting of the Association, and an interesting program is being prepared by your Advisory Committee. The program will include reports from the officers of your Association, an address by the Governor of the Federal Reserve Bank of Dallas, and an address by an outstanding speaker on a subject believed to be of special interest to the member banks.

The Federal Reserve Bank of Dallas will tender a luncheon to the representatives at 1:00 p. m.

As it will be necessary to provide in advance for those who attend, and to facilitate the registration of representatives, it is requested that you indicate on the enclosed card who will represent your institution.

A large attendance will mean a thorough discussion of live subjects of interest to the stockholding banks, and we urge that your bank be represented at this meeting.

Yours very truly,

BEN JOHNSON, Chairman

ALF MORRIS, Secretary
