

FEDERAL RESERVE BANK OF DALLAS

July 26, 1933

CONDITION OF MEMBER BANKS, JUNE 30, 1933

To the Member Bank Addressed:

Condition reports have been received from all member banks as of June 30, 1933, in the Eleventh Federal Reserve District with the exception of a number of banks operating under conservatorship which were not required to render a condition report on call date. These omissions should be taken into consideration in connection with comparative figures for former call dates.

Borrowings from all sources as of June 30, 1933, were \$5,364,000, of which \$3,363,000 represented borrowings from the Federal Reserve Bank of Dallas.
