

**FEDERAL RESERVE BANK
OF DALLAS**

March 23, 1934

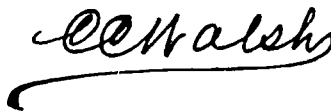

To the Member Bank Addressed:

For your information and guidance, I quote below a telegram which I have received from the Federal Reserve Board, Washington, D. C., under date of March 23, 1934:

“Please advise all member banks in your district by mail today that information called for in Schedule Q ‘The number of depositors and amount of deposits’ need not be submitted in connection with the March 5 call for condition reports.”

I am advised that the above instructions apply to National banks as well as to member State banks.

Yours very truly,
