OF DALLAS**

Dallas, Texas, March 20, 1936

To the Member or Nonmember

Clearing Bank Addressed:

We have today received a telegram from the Federal Reserve Bank of Cleveland, Cleveland, Ohio, reading as follows:

“Because of flood and road conditions in this district and the curtailment of train and bus service to many cities, incoming mail has been greatly delayed and it has been impossible to effect delivery or receive payment on a substantial portion of our outgoing cash letters since March 17.

“Until conditions improve mail schedules cannot be maintained and cash items received by us on March 17 and thereafter are being credited according to our published time schedule, subject to right of this bank to charge back to you any unpaid items at any time.”

Please be advised that cash items payable in the Fourth Federal Reserve District received by us or sent direct by member banks are being credited according to our published time schedule, subject to right to charge back to you at any time any such items that are unpaid.

Yours very truly,

B. A. McKINNEY,

President
