**To All Banking Institutions in the  
Eleventh Federal Reserve District:**

(Please call to immediate attention of officer handling defense loans.)

We have previously furnished your bank with a form of contract, designated as Emergency Plant Facilities Contract, under the terms of which the Government may agree to reimburse a primary contractor for the cost of acquisition and construction of additional plant facilities required to enable him to fulfill a contract with the Government to furnish defense supplies.

There has also been prepared a form of Emergency Plant Facilities Contract for Subcontractors, approved by the National Defense Advisory Commission. Upon request, we shall be glad to forward to you a copy of that form of contract, together with such information that has been furnished us with respect to the procedure that a subcontractor should follow in obtaining from the Government an Emergency Plant Facilities Contract.

Yours very truly,
