To All Banking Institutions, and Others Concerned, 
in the Eleventh Federal Reserve District:

It has been our practice, for a number of years, to mail to each banking institution and to certain others who have evidenced an interest in them, announcements concerning weekly issues of United States Treasury bills. If you are interested in continuing to receive these announcements, it will be appreciated if you will sign the enclosed card and promptly return it.

We will continue, as heretofore, to mail announcements of cash or exchange offerings of all other types of securities of the United States Government and its agencies to all banking institutions and to others who have requested them.

Yours very truly,

R. R. GILBERT
President
