

FEDERAL RESERVE BANK OF DALLAS

FISCAL AGENT OF THE UNITED STATES

Dallas, Texas, May 14, 1941

To Agents Qualified to Issue

United States Defense Savings Bonds, Series E:

The Treasury Department desires to obtain information, as at the close of business each Saturday, showing the total issue price of all Series E Bonds sold by issuing agents during the current week. It will be appreciated if you will furnish this information, and for your convenience, we are enclosing a supply of addressed, stamped, postal cards, on which to make weekly reports. The report form contains spaces for reporting total sales (issue price), reporting date, and the name and address of the issuing agent. The first report should cover the period May 1 to May 17, inclusive, and subsequent reports should cover the current week only.

Please mail your report each Saturday night, without fail, in order that we may furnish the desired information to the Treasury Department promptly. If your report by mail cannot reach us early the following Monday morning, please report by collect telegram, if any sales have been made. If no sales have been made, a report to that effect should be made on one of the cards.

Your cooperation will be appreciated.

Yours very truly,

R. R. GILBERT

President
