FEDERAL RESERVE BANK OF DALLAS

Dallas, Texas, October 10, 1941

ELECTION OF DIRECTORS

To the Member Banks of the

Eleventh Federal Reserve District:

An election will be held under the provisions of section 4 of the Federal Reserve Act to choose successors to the following directors of this bank:

Class B director, J. M. West, deceased, former President of the West Production Company, Houston, Texas, whose successor will be elected for the unexpired portion of his term of office ending December 31, 1943.

Class A director, J. E. Woods, President of the Teague National Bank, Teague, Texas, and Chairman of the Board of the Farmers State Bank, Temple, Texas, whose term expires December 31, 1941.

Class B director, E. L. Kurth, Vice President of Angelina County Lumber Company, Keltys, Texas, whose term expires December 31, 1941.

Mr. West was elected by banks in Group 1, Mr. Woods by banks in Group 2, and Mr. Kurth by banks in Group 3. Consequently, their successors will be chosen, respectively, by these groups. Group 1 consists of banks having capital and surplus in excess of \$499,000; Group 2, banks with capital and surplus of \$100,000 to \$499,000, inclusive; and Group 3, banks having capital and surplus of less than \$100,000. Lists of banks composing the voting groups together with designated voting officers of record are given on the following pages.

Each bank in Group 2 is permitted to nominate a candidate for Class A director, and each bank in Groups 1 and 3, a candidate for Class B director.* The nominations must be made by resolution of the board of directors and certified to me on or before November 15, 1941. A form for this purpose, together with a self-addressed envelope, is enclosed. On or about November 21, 1941, a list of the candidates (indicating by whom nominated) and a preferential ballot will be mailed to each bank in the voting groups mentioned. The ballots must be cast within fifteen days after receipt. The polls will open on November 24, 1941, and close at three o'clock p. m. on December 8, 1941. At that time the ballot box will be opened in the Board room of this bank, the votes counted and results of the election announced. The candidates are invited to be present or represented on that occasion.

The Federal Reserve Act requires that each member bank, by resolution of its board of directors or by amendment to its by-laws, authorize some officer to cast the vote in behalf of the bank in the election of Class A and Class B directors, and in order to be counted, the ballot must be executed by an officer designated to cast the vote. Where officers have been designated by titles only, it is not necessary for the member bank to make a new designation, as the authority conferred by titles is effective until revoked as to any persons having the titles specified. An officer designated by name and title may cast the bank's vote provided he still holds the office specified, but if there has been a change in his official title, the authority previously conferred becomes ineffective and a new designation must be made. EACH MEMBER BANK WHICH HAS NOT DESIGNATED AN OFFICER, OR OFFICERS, FOR THE PURPOSE OF SIGNING THE BALLOT, OR ANY BANK THAT DESIRES TO CHANGE ITS AUTHORIZATION, SHOULD DO SO BY RESOLUTION OF ITS BOARD OF DIRECTORS AND CERTIFY THE APPOINTMENT TO ME BEFORE THE POLLS CLOSE. A form for this purpose containing a suggested draft of resolution authorizing certain officers designated by titles is enclosed.

The Federal Reserve Act further provides: "Whenever any two or more member banks within the same Federal Reserve district are affiliated with the same holding company affiliate, participation by such member banks in any such nomination or election shall be confined to one of such banks, which may be designated for the purpose by such holding company affiliate." Certified copy of the resolution making such designations should be filed with me by the holding company affiliate.

Very truly yours,

Chairman of the Board

*Section 4 of the Federal Reserve Act contains the following provisions: "Class A shall consist of three members, who shall be chosen by and be representative of the stockholding banks. No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director. Any person who is an officer or director than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director. Class B shall consist of three members, who at the time of their election shall be actively engaged in their district in commerce, agriculture or some other industrial pursuit. No director of Class B shall be an officer, director, or employee of any bank. No Senator or Representative in Congress shall be a member of the Board of Governors of the Federal Reserve System or an officer or a director of a Federal Reserve bank."

In a resolution adopted December 23, 1915, the Federal Reserve Board expressed the opinion "that persons holding political or public office in the service of the United States, or of any State, Territory, county, district, political subdivision, or municipality thereof, or acting as members of political party committees, cannot consistently with the spirit and underlying principles of the Federal Reserve Act, serve as directors or officers of Federal Reserve Banks." On December 28, 1915, the Federal Reserve Board resolved that "national bank examiners shall not hereafter be elected * * * to directorships in Federal Reserve Banks." Under date of July 2, 1925, the Federal Reserve Board advised it had "reached the conclusion that a person whose sole occupation is that of officer of an insurance company is not eligible for election as a Class B director of a Federal Reserve bank."
