To the Corporation or Individual Addressed:

As you probably know, Victory Fund Committees have recently been appointed by the Secretary of the Treasury in each of the twelve Federal Reserve Districts.

Your name has been assigned to a representative of the Dallas Regional Victory Fund Committee who will be in contact with you from time to time regarding various issues of Treasury securities. Under this plan it is expected that only one representative will call on you in this connection.

When this representative calls on you, will you please be good enough to give him a few minutes of your time, since he is working purely on a voluntary basis as his contribution to the War effort.

Judson S. James, Jr.
