**FISCAL AGENT OF THE UNITED STATES**

Dallas, Texas, November 5, 1942

**To All Banking Institutions, and Others Concerned,  
in the Eleventh Federal Reserve District:**

You are hereby notified that the Secretary of the Treasury, pursuant to the provisions of Section 5(b) of The Trading with the Enemy Act, as amended, has designated the persons named on the reverse hereof as "special blocked nationals" and has ordered that such persons shall be deemed to be nationals of a foreign country and shall be treated for all purposes under Executive Order No. 8389, as amended, as nationals of a blocked country. Pursuant to the direction of the Secretary of the Treasury, the special blocked nationals named are entitled to the privileges of general licenses, except that they are not entitled to the privileges of any general license which by its terms is limited to a national or nationals of the country named and, in addition, they are not entitled to the privileges of General License No. 53. In accordance with these instructions you are directed to block all of the accounts, safe deposit boxes, securities, etc., that any such persons may have with you or in which you believe any such person has an interest. Please notify us when you have taken this action, and advise us of the name of any other institution in which you believe any such person has an account and the name of any business enterprise in which you believe he has an interest.

No payment or commercial or financial transaction in which any such person has an interest may be effected by you except as authorized by an appropriate license. You may not participate in any financial transaction; forward any draft, bill of lading, invoice, or similar document; honor any instructions to make payments, to buy or sell securities, etc., in which any person named has an interest, unless the transaction has been licensed. Any application filed by you with respect to any transaction in which any such person has an interest should indicate that such person is a special blocked national. Within fifteen days of the date on which you receive this letter, you should submit to us reports on Form TFR-300 as required under Public Circular No. 4C. The report on Series L of the form should show the property held by you on the date you blocked such property. Public Circular No. 4C and Form TFR-300 are available at this bank and will be furnished upon request.

If you have any questions, please communicate with the Foreign Funds Control Department of this bank.

Yours very truly,

**R. R. GILBERT**
