

FEDERAL RESERVE BANK
OF DALLAS

Dallas, Texas, November 14, 1942

**To the Member and Nonmember Clearing Banks
of the Eleventh Federal Reserve District:**

There is enclosed revised page 9 of our Bulletin No. 8, relating to the collection of cash items. This page, representing the time schedule of availability, will become effective November 16, 1942. The schedule has been revised to show the increased collection time applicable to items drawn on the National Bank of Fort Sam Houston, an outlying bank in San Antonio. An additional change has been made in the schedule of our El Paso Branch which increases the deferment on Los Angeles items from two to three days.

The revised page should be inserted in the ring binder containing bulletins of this bank and the Regulations of the Board of Governors of the Federal Reserve System, in lieu of the corresponding page dated May 1, 1942.

Yours very truly,

R. R. GILBERT

President
