

FEDERAL RESERVE BANK OF DALLAS

FISCAL AGENT OF THE UNITED STATES

Dallas, Texas, January 29, 1943

**To All Banking Institutions, and Others Concerned,
in the Eleventh Federal Reserve District:**

Information available to the Treasury Department indicates that there is reasonable cause to believe that Herman A. Michelham, Zurich, Switzerland, and/or Jack Michelham, Mexico, D. F., Mexico, are nationals of a foreign country designated in Executive Order 8389, as amended, and within the meaning of section 5(b) of the Trading with the Enemy Act, as amended, and that assets held by either or both of them, or on their behalf, are assets in which a national of a foreign country designated in Executive Order 8389, as amended, has an interest. Accordingly, the Secretary of the Treasury, pursuant to the provisions of Executive Order 8389, as amended, and section 5(b) of the Trading with the Enemy Act, as amended, has directed us to inform you that all the above-named persons' bank accounts, safe deposit boxes, and other assets held by banks and banking institutions, are now blocked accounts and that no payment, transfer, or withdrawal may be made therefrom except as authorized by an appropriate license.

In accordance with these instructions, please block all the accounts, safe deposit boxes, securities, etc., that the above-named persons may have with you or in which you believe they have a substantial interest. Please notify us when you have taken this action and advise us of the name of any other institution in which you believe the above-named persons have an account and the name of any business enterprise in which you believe they have a substantial interest.

Pursuant to the direction of the Secretary of the Treasury, the above-named persons are authorized and entitled to the privileges of outstanding general licenses, except that they are not entitled to the privileges of any general license which by its terms is limited to a national or nationals of a country named therein and, in addition, they are not entitled to the privileges of General Licenses Nos. 11, 12, 50, and 53. Your attention is particularly directed to the fact that by the terms of General License No. 42 the above-named persons are excluded from its provisions.

Reports on Form TFR-300, as required under Public Circular No. 4C, should be submitted to us within 15 days from the date of this communication. The report on Series L of the form should show the property held by you on the date you blocked such property. Public Circular No. 4C and Form TFR-300 are available at this bank and will be furnished upon request.

If you have any questions, please communicate with the Foreign Funds Control Department of this bank.

Yours very truly,

R. R. GILBERT

President
