

FEDERAL RESERVE BANK
OF DALLAS

Dallas, Texas, May 29, 1943

**To the Member and Nonmember Clearing Banks
of the Eleventh Federal Reserve District:**

There is enclosed revised page 9 of our Bulletin No. 8, relating to the collection of cash items. This page, representing the time schedule of availability, will become effective June 1, 1943. The principal changes made therein relate to the earlier closing hours for the receipt of Government checks and warrants and to the increased collection time applicable to items payable in certain other Federal Reserve bank and branch cities.

The revised page should be inserted in the ring binder containing bulletins of this bank and the Regulations of the Board of Governors of the Federal Reserve System, in lieu of the corresponding page dated November 16, 1942.

Yours very truly,

R. R. GILBERT

President
