**TREASURY SAVINGS NOTES OF SERIES C**

**To All Banking Institutions, and Others Concerned,  
in the Eleventh Federal Reserve District:**

We have been advised by the Treasury Department that Treasury Savings Notes of Series C may now be issued to non-taxpayers, particularly municipalities and municipal agencies such as school districts, water and power boards of municipalities, and the like. This amendment to Treasury Department Circular No. 696, as amended, which governs the issuance of Treasury Savings Notes, will be issued in the near future and a copy forwarded to you. The new amendment does not apply to issues in the names of public officers to be held as security; for example, Auditor of Accounts, State of Blank, in trust for Blank Trust Company.
