

# FEDERAL RESERVE BANK OF DALLAS

FISCAL AGENT OF THE UNITED STATES

Dallas, Texas, July 24, 1944

## FIFTH WAR LOAN DRIVE SALES OF SERIES E, F, AND G SAVINGS BONDS AND SERIES C SAVINGS NOTES

### To Qualified Agents for the Issuance of War Savings Bonds of Series E:

As previously announced, sales of Series E War Savings Bonds by issuing agents and all applications for Series F and Series G Savings Bonds and Series C Savings Notes received and processed through this bank or one of its branches on or before July 31 will be included in the final figures for the Fifth War Loan drive. It is important, therefore, that reports of sales (with stubs and remittances) and applications covering any of these securities reach this bank or appropriate branch not later than July 31. Allowance should be made in forwarding reports and applications to provide for possible delays in the mail.

Issuing agents qualified on a prepayment basis for the sale of Series E bonds to employees under the payroll savings plan should forward reports of sales and the stubs so as to reach this bank or one of its branches on or before July 31, notwithstanding the fact that such agents have prepaid the full issue price of the bond stock furnished them.

Your cooperation will assure credit being given to your county for practically all sales made by you during July, and will facilitate our tabulations and the completion of final reports to the Treasury Department and the War Finance Committees.

Yours very truly,

R. R. GILBERT

President
