TREASURY DEPARTMENT
OFFICE OF THE SECRETARY
Washington, May 14, 1945

I. OFFERING OF BONDS

1. The Secretary of the Treasury, pursuant to the authority of the Second Liberty Bond Act, as amended, invites subscriptions, at par and accrued interest, from the people of the United States for bonds of the United States, designated 2½ per cent Treasury Bonds of 1967-72. The amount of the offering is not specifically limited.

2. These bonds will not be available for subscription by or for the account of others than individuals until June 18, 1945. Individuals are defined for this purpose as including partnerships (other than securities dealers and brokers) and personal trust accounts. These bonds will not be available for subscription, for their own account, by commercial banks, which are defined for this purpose as banks accepting demand deposits.

II. DESCRIPTION OF BONDS

1. The bonds will be dated June 1, 1945, and will bear interest from that date at the rate of 2½ percent per annum, payable on a semiannual basis on December 15, 1945, and thereafter on June 15 and December 15 in each year until the principal amount becomes payable. They will mature June 15, 1972, but may be redeemed at the option of the United States on and after June 15, 1967, in whole or in part, at par and accrued interest, on any interest day or days, on four months' notice of redemption given in such manner as the Secretary of the Treasury shall prescribe. In case of partial redemption the bonds to be redeemed will be determined by such method as may be prescribed by the Secretary of the Treasury. From the date of redemption designated in any such notice, interest on the bonds called for redemption shall cease.

2. The income derived from the bonds shall be subject to all Federal taxes, now or hereafter imposed. The bonds shall be subject to estate, inheritance, gift or other excise taxes, whether Federal or State, but shall be exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority.

3. The bonds will not be acceptable to secure deposits of public moneys before June 15, 1962. They will not be entitled to any privilege of conversion.

4. Bearer bonds with interest coupons attached, and bonds registered as to principal and interest, will be issued in denominations of \$500, \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. Provision will be made for the interchange of bonds of different denominations and of coupon and registered bonds, and for the transfer of registered bonds, under rules and regulations prescribed by the Secretary of the Treasury, except that they may not, before June 15, 1962, be transferred to or be held by commercial banks, which are defined for this purpose as banks accepting demand deposits. However, the bonds may be pledged as collateral for loans, including loans by commercial banks, but any such bank acquiring such bonds before June 15, 1962, because of the failure of such loans to be paid at maturity will be required to dispose of them in the same manner as they dispose of other assets not eligible to be owned by banks.

5. Any bonds issued hereunder which upon the death of the owner constitute part of his estate, will be redeemed at the option of the duly constituted representatives of the deceased owner's estate, at par and accrued interest to date of payment,¹ Provided:

- (a) that the bonds were actually owned by the decedent at the time of his death; and
- (b) that the Secretary of the Treasury be authorized to apply the entire proceeds of redemption to the payment of Federal estate taxes.

Registered bonds submitted for redemption hereunder must be duly assigned to "The Secretary of the Treasury for redemption, the proceeds to be paid to the Collector of Internal Revenue at _____ for credit on Federal estate taxes due from estate of _____"

Owing to the periodic closing of the transfer books and the impossibility of stopping payment of

interest to the registered owner during the closed period, registered bonds received after the closing of the books for payment during such closed period will be paid only at par with a deduction of interest from the date of payment to the next interest payment date;² bonds received during the closed period for payment at a date after the books reopen will be paid at par plus accrued interest from the reopening of the books to the date of payment. In either case checks for the full six months' interest due on the last day of the closed period will be forwarded to the owner in due course. All bonds submitted must be accompanied by Form PD 1782,³ properly completed, signed and sworn to, and by a certificate of the appointment of the personal representatives, under seal of the court, dated not more than six months prior to the submission of the bonds, which shall show that at the date thereof the appointment was still in force and effect. Upon payment of the bonds appropriate memorandum receipt will be forwarded to the representatives, which will be followed in due course by formal receipt from the Collector of Internal Revenue.

6. Except as provided in the preceding paragraphs, the bonds will be subject to the general regulations of the Treasury Department, now or hereafter prescribed, governing United States bonds.

III. SUBSCRIPTION AND ALLOTMENT

1. Subscriptions will be received at the Federal Reserve banks and branches and at the Treasury Department, Washington. It is requested that there be no trading in the securities allotted hereunder and no purchases of such securities other than on direct subscription until after June 30, 1945. Banking institutions generally may submit subscriptions for account of customers, but only the Federal Reserve banks and the Treasury Department are authorized to act as official agencies. Others than banking institutions will not be permitted to enter subscriptions except for their own account. Subscriptions must be accompanied by payment in full for the amount of bonds applied for.

2. The Secretary of the Treasury reserves the right to reject any subscription, in whole or in part, to allot less than the amount of bonds applied for, and to close the books as to any or all subscriptions at any time without notice; and any action he may take in these respects shall be final. Subject to these reservations, all subscriptions will be allotted in full. Allotment notices will be sent out promptly upon allotment.

IV. PAYMENT

1. Payment at par and accrued interest, if any, for bonds allotted hereunder to individuals must be made on or before June 1, 1945, or on later allotment. Payment at par and accrued interest to June 18, 1945, or to date of later allotment, for bonds allotted to all others must be made on or before June 18, 1945, or on later allotment; **provided, however**, that bonds allotted to life insurance companies, to savings institutions, and to States, municipalities, political subdivisions and similar public corporations, and agencies thereof, may be paid for, in whole or in part, at par and accrued interest, at any time or times, with payment to be completed not later than August 31, 1945. One day's accrued interest is \$0.068 per \$1,000. Any qualified depository will be permitted to make payment by credit for bonds allotted to its customers up to any amount for which it shall be qualified in excess of existing deposits, when so notified by the Federal Reserve Bank of its District.

V. GENERAL PROVISIONS

1. As fiscal agents of the United States, Federal Reserve banks are authorized and requested to receive subscriptions, to make allotments on the basis and up to the amounts indicated by the Secretary of the Treasury to the Federal Reserve banks of the respective districts, to issue allotment notices, to receive payment for bonds allotted, to make delivery of bonds on full-paid subscriptions allotted, and they may issue interim receipts pending delivery of the definitive bonds.

2. The Secretary of the Treasury may at any time, or from time to time, prescribe supplemental or amendatory rules and regulations governing the offering, which will be communicated promptly to the Federal Reserve banks.

HENRY MORGENTHAU, Jr.,
Secretary of the Treasury.
