

# FEDERAL RESERVE BANK OF DALLAS

FISCAL AGENT OF THE UNITED STATES

Dallas, Texas, September 13, 1945

**To All Issuing Agents of United States Savings Bonds  
in the Eleventh Federal Reserve District:**

In this bank's letter of August 18, 1945, there was quoted a statement from Secretary of the Treasury Vinson in which he stressed the importance of the continuance of the payroll savings program in industrial plants and business establishments. The Treasury Department proposes distribution before the end of this month of a poster entitled "Keep Up Your Payroll Savings" to encourage employees to continue their allotment authorizations. A copy of the poster will be furnished you when received. In the meantime, it will be appreciated if you will use the enclosed poster for display purposes.

If you operate a payroll savings plan, it would, no doubt, be more effective if you would add a personal message.

Additional copies of the poster will be furnished upon request, and if you issue bonds for other employers operating payroll savings plans, we shall be glad to furnish copies for their use.

Yours very truly,

**R. R. GILBERT**

President
