

FEDERAL RESERVE BANK OF DALLAS

FISCAL AGENT OF THE UNITED STATES

Dallas, Texas, October 17, 1945

**To All Banking Institutions in the
Eleventh Federal Reserve District:**

The Treasury Department has called attention to two typographical errors in the War Finance Division booklet entitled "Victory Loan Securities," copies of which were mailed with this bank's circular letter of October 10.

One day's accrued interest per \$1,000 of the 2½% Treasury Bonds of 1967-72 is listed under Item 9 on page 5 of the booklet as \$0.061. The correct figure is \$0.068.

On page 11, in the heading of the table of redemption values and investment yields of United States Savings Bonds of Series F, the issue price of the \$25.00 bond is shown as \$18.00 instead of \$18.50.

It will be appreciated if each bank using the booklets will have appropriate notations or corrections made in its copies.

Yours very truly,

R. R. GILBERT

President
