

# FEDERAL RESERVE BANK

OF DALLAS

Dallas, Texas, September 1, 1948

## CHARITABLE, PERSONAL, AND FAMILY REMITTANCES TO UNITED STATES, BRITISH, AND FRENCH OCCUPIED ZONES OF GERMANY

**To All Banking Institutions  
in the Eleventh Federal Reserve District:**

Bank deutscher Laender\*, Frankfurt, Germany, has requested by cable, transmitted to the Federal Reserve Bank of New York by the Commander in Chief, European Command, through the Office of the Chief of Staff, Department of the Army, that we inform you of the following:

(1) Bank deutscher Laender is prepared to accept instructions from banks which are members of the New York Clearing House Association and from others with whom Bank deutscher Laender has made the necessary arrangements, to effect charitable, personal, and family payments in Deutsche marks anywhere in the United States, British, and French occupied zones of Germany. A procedure has not yet been established for remittances to the Western Sectors of Berlin, but is under consideration.

(2) Banks, other than those mentioned above, should transact remittance business with Germany through the above-mentioned banks.

(3) Bank deutscher Laender will effect payment to the respective beneficiaries of the Deutsche mark equivalent at the rate: one Deutsche mark equals 30 cents. Payment will be subject to deduction of charges made for internal (German) remittances, which will be the only charge in Germany. Commission charges made by United States banks should be collected from remitters.

(4) When payment is made to the beneficiary, Bank deutscher Laender will transmit notice of the completion of payment direct to the remitter.

(5) If payment has not been completed within three months, Bank deutscher Laender will mail direct to the remitter a dollar check drawn on the "Bank deutscher Laender remittance account" at the Federal Reserve Bank of New York covering the dollar amount of the remittance less the charge made for an uncompleted remittance.

Under the procedure set up by Bank deutscher Laender, persons wishing to effect remittances to Germany should make arrangements with one of the banks mentioned in paragraph (1) above, either directly or through their own banks.

Very truly yours,

R. R. GILBERT

President
